Dear Sir:

In response to the Official Action mailed May 10, 2002, please enter the following amendment:

IN THE CLAIMS

Please amend the claims as set forth below:

- Sub  
E1
1. (Thrice Amended) A communications network resource usage control system, comprising:
    - a plurality of servers in the communications network adapted to execute supplementary communications service requests;
    - a monitoring unit connected to each of said plurality of servers to receive and decode supplementary service information for the supplementary communications service being requested; and
